Thank you. Your counter is rejected . We'll file a motion for a 45 day extension with no conditions and show CloudofChange as opposed to it. I shall pass along your overture to my client.

Mr. Ravel,

Thank you for reaching out. We are generally agreeable to an extension, however we are a little surprised about Clover's request for a 45-day extension after we reached out to your client two weeks ago without any response (letter and email attached). My client CloudofChange is agreeable to a 30-day extension with the stipulation that Clover does not file a Motion to Transfer.

Additionally, our invitation remains open to have a discussion with your client about the value of CloudofChange's patents with respect to Clover's IP portfolio. Please let us know if your client is amenable to a discussion, and we will gladly coordinate the meeting.

Regards,
Jay Yates

My partner, Kelly Ransom, and I will be representing Clover Network in this case you have brought against it in Waco. May we have a 45 day extension to respond to the Complaint, that is through and including September 1, 2022?
